

## Invitation for Bids

Date: 03 November, 2016  
Loan N°: CKH 1139 01 R

1. Electricité du Cambodge (EDC) has received funds from the Agence Française de Développement (the French Development Agency) towards the cost of The Transmission and Distribution Lines in Koh Kong and Kampong Cham-Kratie Project. It is intended that part of the proceeds of this loan will be applied to eligible payments under the contract for Design, Supply and Construction of 3 separated packages for Koh Kong, Kampong Cham and Kratie.

2. Electricité du Cambodge now invites sealed bids for 3 separated packages as details mentioned in below table from eligible bidders for the design, supply and installation ("the Facilities"). International Competitive Bidding will be conducted in accordance with the Agency's Single Stage – One Envelop Bidding Procedure.

3. Interested eligible bidders may obtain further information and inspect the bidding documents from:

Mr. Nget Sokhan, Director of Procurement Department  
Project Procurement Office of Procurement Dept., EDC, Wat Phnom, Phnom Penh, Cambodia  
Email: [dork.sovanmony@gmail.com](mailto:dork.sovanmony@gmail.com) / [khemarey@gmail.com](mailto:khemarey@gmail.com) / [sovannethnong@yahoo.com](mailto:sovannethnong@yahoo.com)

4. A complete set of separated bidding documents may be purchased by interested bidders on the submission of a written application to the above and upon payment of a non-refundable fee as below:

No	Bid title	Bid Price	Bid Submission Deadline	Bid Opening	Qualification Requirement
1	Package 1 Transmission Line	350USD	05 <sup>th</sup> Jan, 2017 at 9:00AM must be accompanied by Bid Security USD 750,000	05 <sup>th</sup> Jan, 2017 at 9:00AM	<p>a) <b>Experience and technical capacity:</b> The bidder must provide documents showing:</p> <ul style="list-style-type: none"> <li>A minimum of ten (10) years of experience in implementing under a design supply and construction of 220kV and above transmission lines contracts outside of the bidder home country.</li> <li>Completion of at least two (2) similar contracts with a value of US Dollars (USD 35,000,000) outside the bidder home country during the last 7 (seven) years,</li> <li>Equipment manufacturers shall have ten (10) years minimum of experience as manufacturer of transmission lines equipment.</li> <li>Similar equipment to the proposed should have been installed and be in successful operation for more than four (4) years.</li> </ul> <p>b) <b>Financial Criteria:</b> The bidder must provide documents showing:</p> <ul style="list-style-type: none"> <li>A figure of average annual turnover of construction activities of fifty million US Dollars (USD 50,000,000) over the last five (5) years.</li> <li>Ability to access funding of Eight million and Five hundred thousand US Dollars (USD 8,500,000).</li> </ul> <p>c) <b>Environmental, Social, Health and Safety (ESHS) Qualification</b></p> <ul style="list-style-type: none"> <li>Quality management certification ISO 9001</li> <li>Environmental Management certification ISO 14001</li> <li>Health and safety certification OHSAS 18001</li> </ul>
2	Package 2 Substation	350USD	05 <sup>th</sup> Jan, 2017 at 10:30AM must be accompanied by Bid Security USD 750,000	05 <sup>th</sup> Jan, 2017 at 10:30AM	<p>a) <b>Experience and Technical Capacity:</b> The bidder must provide documents showing:</p> <ul style="list-style-type: none"> <li>A minimum of ten (10) years of experience in implementing under a design supply and construction of 230kV and above voltage substation contracts.</li> <li>Completion within a two year period of at least three (3) substations (complete outdoor HV/MV complete substations, including at least 1 of 50MVA power transformer of 230kV and/or higher voltage) with a total value of at least thirty millions of US Dollars (USD 30,000,000) outside of the bidder home country two times during the last seven (7) years.</li> <li>Equipment manufacturers shall have ten (10) years minimum experience in manufacturing equipment similar to those proposed.</li> <li>Similar equipment to the proposed should have been installed and be in successful operation for more than four (4) years.</li> </ul> <p>b) <b>Financial Criteria:</b> The bidder must provide documents showing:</p> <ul style="list-style-type: none"> <li>A figure of average annual turnover of construction activities of forty eight million US Dollars (USD 48,000,000) over the last five (5) years.</li> <li>Ability to access funding of Eight million US Dollars (USD 8,000,000).</li> </ul> <p>c) <b>Environmental, Social, Health and Safety (ESHS) Qualification</b></p> <ul style="list-style-type: none"> <li>Quality management certification ISO 9001</li> <li>Environmental Management certification ISO 14001</li> <li>Health and safety certification OHSAS 18001</li> </ul>

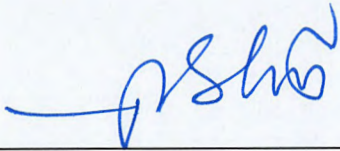

3	Package 3 Distribution Line	200USD	05 <sup>th</sup> Jan, 2017 at 11:30AM must be accompanied by Bid Security USD 150,000	05 <sup>th</sup> Jan, 2017 at 11:30AM	<p>a) <b>Experience and technical capacity:</b> The bidder must provide documents showing:</p> <ul style="list-style-type: none"> <li>• A minimum of ten (10) years of experience in implementing under a design supply and construction of distribution networks contracts.</li> <li>• Completion of at least two (2) similar contracts outside the bidder home country with each a value of at least Five million US Dollars (USD 5,000,000) during the last five (5) years,</li> <li>• Equipment manufacturers shall have ten (10) years minimum experience in manufacturing equipment similar to those proposed.</li> <li>• Similar equipment to the proposed should have been installed and be in successful operation for more than four (4) years.</li> <li>• ISO 9001 quality certificate</li> </ul> <p>b) <b>Financial Criteria:</b> The bidder must provide documents showing:</p> <ul style="list-style-type: none"> <li>• A figure of average annual turnover of construction activities of seven million US Dollars (USD7,000,000) over the last five (5) years.</li> <li>• Ability to access funding of Two million US Dollars (USD2,000,000).</li> </ul>
---	--------------------------------	--------	--	---------------------------------------	---

\*\*\*Others Specification (all packages applied)

- If the Bidder offers to supply and install equipment that he does not manufacture itself, he must submit a Manufacturer's Authorization.
- A margin of preference for the benefit of Domestic Companies/business groups do not apply. 

Sincerely yours,

For RGC Delegate in Charge of Managing EDC

Dr. Praing Chulasa
