

Invitation for Bids

Date	: 07 July 2014
Grant No. and Project Name	: ADB Grant No. 0336-CAM(EF) : Rural Energy Project
Contract No. and Title	: 2013-ADB-EDC-REP : Design, Erection, Supply, Installation, Testing And Commissioning of Medium/ Low Voltage Distribution Network In Svay Reing Province On Full Turnkey Basis Contract.
Deadline for Submission of Bids	: 20 August 2014, 10:00 A.M (Local Time)

1. The Kingdom of Cambodia received a grant from the Commonwealth of Australia through the Australian Agency for International Development towards the cost of the Rural Electrification of Svay Reing Province (the Project) and it is intended that part of the proceeds of this grant will be applied to eligible payments under the contract for Rural Energy Project in Svay Reing Province. The Project will be administered by the Asian Development Bank (ADB). Bidding is open to all bidders from eligible source countries of ADB.
2. Electricité du Cambodge (EDC) ("the Employer") invites sealed bids from eligible bidders for the design, erection, supply, installation, testing, and commissioning of a medium/low voltage distribution network in Svay Reing Province on a full turnkey basis ("the Facilities").
International competitive bidding will be conducted in accordance with ADB's Single-Stage: One-Envelope Bidding Procedure.
3. To qualify, a bidder should meet the following qualification criteria:
 - (i) all pending litigation shall be treated as resolved against the bidder and so shall in total not represent more than fifty percent (50%) of the bidder's net worth;
 - (ii) shall demonstrate soundness of financial position during the last 3 years, prospective long-term profitability, and positive net worth;
 - (iii) shall have an average annual turnover of at least US \$ 9.5 million during the last 3 years;
 - (iv) shall have financial resources to meet the cash flow requirement for this contract, which is US\$1.5 million, and current works commitment;
 - (v) shall have experience under contracts in the role of contractor, subcontractor, or management contractor for at least the last (10) ten years;
 - (vi) shall have participated as contractor, management contractor, or subcontractor, in at least two (2) similar turnkey contracts (Medium Low Voltage Distribution Lines), each with a value of at least US\$ 5.7 million, during the last eight (8) years;
 - (vii) shall have (within the last 10 years) experiences in design, installation and erection of concrete poles and its associated materials and facilities including cross arms, insulators, and conductors for medium voltage (or higher voltages) of minimum 500 circuit km that has been in successful operation for at least two years prior to the date of bid opening;
 - (viii) shall have constructed at least one (1) project of medium voltage distribution line (Turnkey) with a length of at least 100 circuit km;
 - (ix) shall have installed at least ten (10) medium voltage distribution transformers as part of distribution substation, and
 - (x) sub-contractors for major supply items shall have quality management system accreditation (ISO or its equivalent), with at least 10 years of manufacturing experience, and with certificate of successful operation of at least 3 or 5 years (depending on the item) issued by the end-user.

4. To obtain further information and inspect the bidding documents, bidders should contact:

Attention: H.E KEO ROTTANAK, RGC Delegate in charge of Managing EDC
